Zayd Elabbous

Front-End Developer (React, Next.js)

Tetouan, Morocco · elabbouszayd@gmail.com · +212 7 23 47 22 94 · Born 22 April 2006

Portfolio · GitHub · LinkedIn

Profile

Self-taught front-end developer focused on React and Next.js. I build fast, responsive web apps and have delivered two websites for real clients as a freelancer. I can also build the backend (APIs, databases, auth, payments). Looking for an internship to grow in a professional team.

Skills

- **Front-end:** HTML, CSS, JavaScript, TypeScript, React, Next.js, Tailwind CSS, shadcn/ui, Zustand, responsive design
- **Back-end:** Node.js, Express, Next.js API Routes, REST APIs, PostgreSQL, Prisma
- **Services:** Sanity CMS, Clerk, Stripe, Resend, Cloudinary
- **Tools:** Git, GitHub, VS Code, Vercel, AI-assisted development (Claude Code)

Experience

Freelance Web Developer — Tetouan · 2026 – Present

PVC Confort Maroc — business website for a PVC and aluminium windows company (live)

- Built with Next.js, Tailwind CSS and Sanity CMS so the client publishes blog articles without code
- SEO landing pages for several Moroccan cities, quote request form sent by email (Resend), WhatsApp contact, dark mode

ElChapo Store — e-commerce website for a fashion brand

- Built with Next.js, Tailwind CSS, shadcn/ui and Sanity CMS so the client manages products without code
- Cart state with Zustand, product carousels (Embla, Swiper), emails with Resend, smooth animations, fully responsive

Projects

Zayd Hotels — full-stack hotel booking platform (live · code)

- React, Zustand, Tailwind CSS, Express, PostgreSQL, Prisma, Clerk, Stripe, Cloudinary
- Server-side filters and pagination, Stripe payments and refunds, owner dashboard, reviews, dark mode

Always Learning

I learn fast and keep improving every day. I taught myself web development and picked up new tools (Zustand, Stripe, Sanity CMS) directly on real projects.

- **Currently learning:** JavaScript algorithms and problem solving, TypeScript in depth, English. Next: Spanish
- **Open to learning** any tool or language the team uses

Education

- **Self-taught web development** · 2024 – Present — online courses, documentation and real projects
- **Baccalaureate level** · 2022

Languages

- Arabic: native
- English: basic
